

GYMNASTICS at CLARENDON PARK HINCKLEY and NEW COLLEGE LEICESTER

A GOOD PLACE TO START

We provide a sports delivery service in return for a participation fee. Membership is provisional and can be fairly cancelled at any time by either the club, member or the family. Whilst we are tolerant of the changing attitudes and challenges of growing up in this society, where the safety of an individual or other class members or staff is a concern, we will take measures to resolve the matter. Where classes are disrupted by poor behaviour or inability to follow instructions or where the enjoyment and learning of other class members is affected, we will take fair measures to resolve the matter. A full set of the club rules and policies can be found on our website in the folder/tab marked COMPLIANCE.

SHARED RESPONSIBILITIES for the CLUB, the MEMBER and the FAMILY.

COMING AND GOING

For both Clarendon Park and New College, the FAMILY deliver the child to the door of the gymnastics hall. At the end of the lesson, any child who has **NOT YET STARTED their YEAR 7** schooling is required to be collected by the named parent, guardian or carer listed on their membership form. We will not allow these children to leave the building alone. Only where we have notice in writing that the collecting person is to be temporarily or permanently changed will we allow the child to leave with another person. To set this up alternative responsible person contact;

The Welfare Officer at Tony.ford@iflip.org or, in an emergency on the day, contact the HEAD COACH on duty.

For those who have started year 7 and above, parents and carers may opt to allow their child to leave alone as they do from their secondary school. Where we have received a request and we have confirmed agreement in writing we will release those class members first at the end of each class. To set this up;

Contact; info@iflip.org

We will always oversee departure for maximum safety and speed of dispersal.

Clarendon Park has the additional concern that it sits in a public park and is serviced by a public carpark which is not easily visible from the building's entrance. You are advised to always come up to the building to collect your child

and not to assume that a flash of car headlights is a safe option. We urge extra care and vigilance in particular on darker evenings.

New College has a front car park, an overflow car park to the side and a student's rear car park. There are many people from other activities sharing these car parks. We urge extra care and vigilance on darker evenings.
