

Child Protection Policy

The club will strive to ensure that children, young people and vulnerable adults are protected and kept safe from harm whilst participating in gymnastics activities. We endeavour to promote the highest standards of care for participants and will:

- Provide and implement procedures to safeguard the well-being of all participants and protect them from abuse.
- Respect and promote the rights, wishes and feelings of all participants.
- Adopt good practice in recruitment, training and supervision of all employees and volunteers, and provide guidance to parents and carers.
- Require all employees, members, and clubs to adopt the British and Gymnastics Code of Ethics and Conduct, Health, Safety and Welfare Policy and the Child Protection Policy and Procedures.
- Respond to all allegations and concerns, and implement the appropriate disciplinary and appeals procedure.
- No photography and videoing will be permitted without prior agreement from parents and participants. Full details of photography and video policy can be found in the British or Gymnastics Ireland Health, Safety and Welfare policy.
