OPEN GYMNASTICS SESSION – TERMS AND SAFETY RULES

Our Open Gymnastics Session provides supervised time for participants to practice appropriate skills. Although coaches will supervise the session, we will not provide continuous one-to-one coaching.

By attending, participants and parents or guardians of those 16/17 years of age agree to the following:

1. Registration with British Gymnastics must be completed and confirmed before entry to a third session will be allowed.
2. Participants must tell us about any medical conditions, injuries, allergies or additional needs before the session.
3. Participants must only practice skills suitable for their age, ability and experience.
4. New or advanced skills must not be attempted without permission from an appropriately qualified coach.
5. Coaches may stop or adapt any activity they consider unsafe or beyond a participant's ability.
6. All instructions from coaches and staff must be followed immediately.
7. Apparatus may only be used when opened or authorised by a coach.
8. Participants must not move, adjust or set up equipment, mats, barriers or safety boxes unless instructed by a coach.
9. Participants must wait in the designated areas and keep landing zones, apparatus approaches, emergency exits and walkways clear.
10. Suitable gymnastics clothing must be worn. Jewellery and watches must be removed, long hair must be tied back, and clothing must not have zips, buckles, hoods or loose cords.
11. Running between apparatus, bullying, unsafe behaviour and distracting another gymnast are not permitted.
12. Any injury, illness, damaged equipment or safety concern must be reported to a coach immediately.
13. Photography or video recording is not permitted unless authorised under the club's photography policy.
14. Anyone who ignores instructions, misuses equipment or puts another person at risk may be removed from the session.
15. Permission to learn, attempt or perform somersaults will require a specific assessment by the coach who will mark the register accordingly YES or NO.
16. Peer to peer coaching is not permitted

TRAMPOLINE SAFETY RULES

- The trampoline will only be open during the designated period stated by the coach.
- Do not use the trampoline unless an authorised coach is present and has given permission.
- The safety box must never be removed or moved without the instruction of an authorised coach.
- Double somersaults are strictly prohibited.
- All coaching instructions and displayed safety notices must be followed at all times.
